

STONEGATE North Villages

A SNAPSHOT OF THE NEW MOBILE ACCESS PASSES AND THE VIZPIN SYSTEM

Each member of the household over the age of 18 will need their own Mobile Access Pass (Smartkey).

Youth ages 10-18 can have their own pass, if guardians desire, provided they have a smartphone.

Any resident who has accessibility needs, or does not own a smartphone, should contact the office at registration@stonegatenorthvillages.org or by phone at **720-851-8178** so that a traditional fob can be issued.

Each household is eligible for 6 Mobile Access Passes (Smartkeys).

7 SIMPLE STEPS TO ACCESS

Step One: Before you start the process, assemble the info you need. We suggest you decide which members of your household will get the 6 Mobile Access Passes (Smartkeys).

Make certain you have each person's cell phone number noted and handy.

Step Two: Visit the link: <https://tinyurl.com/SNVMDpass> to start the process. Or visit the website at <https://stonegatenorthvillages.org/apply-for-a-pass/>

Step Three: Follow the prompts to complete the sign-up process for up to 6 Mobile Access Passes (Smartkeys). The prompts will also guide you if you are a renter or if you are a resident of the other district, Stonegate Village.

Step Four: Review the Pool and Tennis Court Rules and sign that those applying for Mobile Access Passes (Smartkeys) understand the Rules and Guidelines and understand privilege and access are for users agreeing to abide by those Rules and Guidelines.

Step Five: After entering and submitting your information, it will be sent to the management company and they will verify residency.

Step Six: Once the team verifies your household info and address, you will receive an Authorization Email stating you have been approved and giving you the download information for VIZpin. You will download this mobile app from the App Store on your phone, and enter the information provided in the Authorization Email. Check your junk mail for the Authorization Email.

Step Seven: As we open the pool this season, you will have a new way of accessing not only the Stonegate North Villages Metropolitan District pool, but also the tennis courts.

Simply carry your phone along, and use the VIZpin app as you approach.

Have fun!
