NEWS & ANNOUNCEMENTS

FEBRUARY 2024

Mark Your CALENDARS

As we enter February and some of the coldest winter days it is hard to think about the summer pool season. But it will be here soon.

**Mark your 2024
calendars for
Opening Day of the
Family Pool which
will be Saturday,
May 25th!**

Updates on the Pools

VIZpin Now is also a great time of year to think about whether your VIZpin needs any attention. If you rent and have a new lease agreement for the year you will need to submit this current lease document. If you own and do not have a lease, and have registered in previous years, you should not need to take any action. It is suggested you open the VIZpin app on your phone and download the latest version. A reminder, your VIZpin will only work when you are standing in the vicinity of the gate. If you are new to the district, you can learn more about VIZpin and how it provides access to the district's amenities by visiting our website, then selecting the drop-down menu for Recreation & Facilities and Apply for a Pass: stonegatenorthvillages.org/apply-for-a-pass/.

Adult Pool & Spa There was a trespassing incident at the Adult Pool & Spa in recent weeks. Please help the board and the management team by ensuring that any time you use this facility you utilize your VIZpin to open the gate for each person, and that you close the gate behind you as well. It's also vital that residents do not disturb the neighbors and adhere to the posted hours of operation and proactively leave the facility on time.

The district has been in contact with the Douglas County Sheriff and will work with them going forward to ensure that anyone found in the facility after hours be charged with trespassing. We want very much to be able to continue to offer this amenity — but need everyone's cooperation in being mindful of the nearby neighbors, and the rules. Thank you for your quiet enjoyment of the facilities, your adherence to the hours and rules, and your support of the many people who oversee this program.
